

VARIETALES

CHARDONNAY

These wines have a powerful, fruity expression that reveals each variety without embellishment, unveiling all its flavours and aromas. These wines are perfect for drinking every day with meals or as an aperitif.

TASTING NOTES

- **Varietal Composition:** 100% Chardonnay.
- **Geographic Area:** San Clemente, Maule Valley.

Winemaking:

Selected grapes from our own vineyards were carefully hand-harvested in the early morning to preserve the aromas. Fermentation with selected yeasts took place in stainless steel tanks at between 14°C and 16°C. To maintain the varietal character of the wine, it did not undergo malolactic fermentation.

Winemaker's comments:

This is a pale yellow wine with intense aromas unveiling notes of tropical fruit and peaches. On the palate, it is smooth, fun, fresh and balanced. The finish is smooth and persistent.

Food pairings:

This wine can be enjoyed with lean fish, ceviche and white meat.

- **Storage potential:** 2 to 3 years.
