

# CASAS PATRONALES

## VARIETALES

### MERLOT

These wines have a powerful, fruity expression that reveals each variety without embellishment, unveiling all its flavours and aromas. These wines are perfect for drinking every day with meals or as an aperitif.

### TASTING NOTES

- **Varietal Composition:** 100% Merlot.
- **Geographic Area:** San Clemente, Maule Valley.

#### Winemaking:

Selected grapes from our own vineyards were carefully hand-harvested. Prior to fermentation, the grapes were subjected to a cold maceration for two days. Then alcoholic fermentation with selected yeasts took place in stainless steel tanks at 27°C.

#### Winemaker's comments:

This Merlot is an intense red colour and features aromas of fresh red fruit with notes of ripe plums. On the palate, it reveals smooth and velvety tannins, followed by a long, pleasant finish.

#### Food pairings:

This wine combines well with pizza, pasta, cheese, salmon, chicken and smoked ham.

- **Storage potential:** 3 to 4 years.
