Club Cordier

Since 1886, Maison Cordier has been known as a Grands Vins de Bordeaux maker. The chateau Merlet which has joined the Club Cordier partnership agrees to meet Cordier's quality requirements in both vine culture and wine vinification.

Presentation

Owned by the Bonhur family since 1978, Chateau Merlet stands close to the Dordogne and Garonne rivers, in the little village of Cazaugitat, which means summer garden in «Occitan», the regional dialect. Located 45 km south-east of Bordeaux, in the heart of the Entre-deux-Mers region, this 48 hectare vineyard is set around the highest top of the Gironde, enjoying remarkable exposure to the sun. Nature lovers are charmed by this property, rich by its fauna (deers, wild boars...) and flora (wild flowers, daffodils, anemones...). «A real haven of peace».

Tasting note

This fresh, pleasant red wine appeals immediately by its bright cherry red colour with purple tints. On the nose, this Bordeaux offers plenty of finesse with peppery notes that give way to aromas of redcurrant and strawberry. On the palate it demonstrates its ample, harmonious structure, with a red fruit and cherry-stone finish. It is an ideal companion for convivial meals and should be served slightly chilled. It goes perfectly well with tapenade, chicken skewers, grilled spare ribs of pork and light cheeses. To be served between 15°C and 18°C.
