

GARLAND CREST

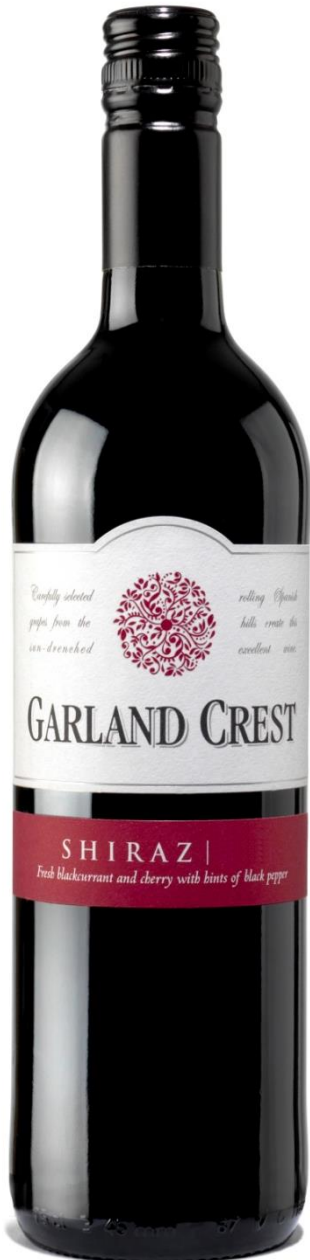

Young red

Grapes: Shiraz (100%)

Style: Fruity young red

Alcohol: 13%vol.

Closure: screw cap

Tasting notes:

Look: Deep and bright purple color.

Smell: Very fruity on the nose. Ripe cherry and blackcurrant are combined with hints of black pepper, reminding the warm latitude where it was born.

Taste: Again fruity, jammy and powerful on the palate. Good backbone and a lingering finish. A wine to enjoy by the glass or with an aperitif.

Letting the wine breath before serving is recommended to soften the tannins and open up the flavors.

Best served at 16°C.
